1986 – 30th Anniversary Celebration

On the 17th of September, 2016 the 1986 Year Group congregated on the Hill to commemorate and celebrate the 30th year of exiting the College. It was a sight to behold as men with diverse professional background who once upon a time were ninos and green horns on the Hill came together and reminisced about their College days. A solemn mass was held by the group at the St. Nicholas Chapel in remembrance of departed Santaclausians and also to usher the group into the celebratory mood. The President of NEC, Honorable Kojo Yankah and the Year Group President, Mr.Philip Yebesi unveiled a Cenotaph as the 30th anniversary gift to the school to honour the memory of all departed Santaclausians. This will be lighted during the founders day & memorial service every year. The NEC on behalf of all Santaclausians, Ancient & Modern, is grateful to the year group for their gift. May God Almighty bless all contributors to the project. You have added to the Gains of our forebears. Up Santaclausians, Up 1986 Year Group.

Adisadel Recognises Hard Working Year Group Members

Leaders of the various energy/year groups were given the opportunity to nominate one hard working and dedicated member for recognition by the AOBA. Only three groups (1986, 1993 & 2005) presented names for recognition. We pray and hope that going forward members will be nominated and duly recognised by all for their sacrifices to Adisadel College.

It is the custom of ADISADEL COLLEGE to recognize the sacrifices made by individual Old Boys to the building of the School. Your peers in the Year Group of 1986 have collectively recognized you as the outstanding member who made a difference in the workings of the Group in the year 2016.

You have been the rallying point for the Santa'86 group; your home has always been opened to all your mates for your special Sunday 'parliament' meetings, waakye sessions, surprise parties and get together to welcome members from the Diaspora. You headed the committee for the 30th anniversary celebration of Santa'86, which was a great success.
