MESSAGE FROM PRESIDENT

Dear Santaclausian Family,

The year 2015 has been a very productive year for the Family. The members of my NEC Team to steer the affairs of the Family have been excellent. They have exceeded what any group of 'elected volunteers' would do. They have made commendable sacrifices of which I am proud.

The Year has seen us bridge the generational gap even further. We have been in touch with virtually every year group from 1948 to the present. We have been represented at major events involving Old Boys. Various Year Groups have renewed their loyalty to Adisadel by organizing Campus visits to interact with and inspire current students; others have revitalized themselves through regular meetings; and yet many others have kept close touch with the NEC, contributing ideas and resources towards the continuous development of our great College.

Our Members in the diaspora have been very supportive with ideas and regular communication. All our functions have been very well attended, and the bond amongst us is deepening. It is with great pride that I thank every Santaclausian wherever you are, and wish every member of the Family a blessed Xmas and New Year Season!

God bless Adisadel!
God bless one united Santaclausian Family!
God bless our Resolutions for 2016!
